AC-4125	0,250	24	3	4	11	4,918
AC-4138	0,250	36	3	5	16	7,470
AC-4150	0,250	48	3	8	19	9,836

* Polyester Braided Tubing is suitable for the mechanical protection of harnesses, hoses and all other applications where exceptional flexibility combined with superior abrasion / cut resistance is required.

*It acts as an economical tool for wire bundling that will not retain heat or moisture, easily expands to fit irregular shapes, then shrinks for fit and grip.

* To prevent fraying, these products should be cut to length using a hot knife.

*Application temperature range is between -50°C and + 150°C.
